THE FLAG PLACE

THE FLAG PLACE, INC. is celebrating our 22nd year in business in 2009. Our two manufacturing locations in Duluth, GA and New Hope, AL produce and supply flags to dealers across the country. In the last 20 years The Flag Place has built a strong reputation for offering a top quality USA made product at an affordable price. Our customers have grown to expect fast service, friendly customer service and a product that lasts. To our loyal customers that have been buying from us for years, **THANK YOU**, and to those dealers who have not tried us yet, you may like the products and service that The Flag Place provides.

U.S. TITAN™ NYLON FLAGS

- TITAN™ Brand U.S. nylon flags are constructed with DuPont SolarMax™ nylon, sewn stripes and embroidered stars.
- All TITAN™ flags are finished with four rows of reinforced lock stitching on the fly hem.
- 8' X 12' and larger TITAN™ flags are finished with webbing and D-Rings.
- 10' X 15' and larger TITAN™ flags feature our exclusive RIP-STOP design near the fly hem, for added life and easy repair.

CONSTRUCTED
WITH

SolarMax™
Only by DuPont

**3'x5' U.S. Nylon with
Sewn Stripes and
Acid Dyed Star Field**

Minimum 25 Pieces

LARGER U.S. TITAN™ FLAGS

TITAN™ Big Flag star fields have a vibrant appearance letting the sunshine through.

Large appliqued stars dull the stars appearance, not letting the sun shine through.

10' X 15' and larger feature our exclusive rip-stop design near the fly hem for added life and easy repair.

8' X 12' and larger are finished with webbing and D-rings.

- TITAN™ full printed star fields are unlike any other big flags in the industry.
- The sun shines through the star giving a vibrant look to the star field. Stars are not dulled by blue nylon or appliqued stars.
- Double hemmed top and bottom stripe, along with the fly hem. This process eliminates early blowouts on the fly hems, giving the flag more life and value.
- Exclusive RIP-STOP design.

Flags with Pole Hem and Leather Tab

- U.S. Nylon flags are constructed with DuPont SolarMax™ nylon sewn stripes and embroidered stars.
- Finished with pole hem and leather tab.

Flags with Pole Hem and Fringe

- These flags are constructed with DuPont SolarMax™ nylon, sewn stripes and embroidered stars.
- Finished with pole hem, leather tab and golden fringe.
- Perfect for indoor or parade use.

5 ADVANTAGES **of Flying** **Hercules™ Polyester.**

VIBRANT COLORS

New dyeing technology means Hercules remains bright and beautiful longer than other polyester flags. Superior Light Fastness and Wet-Fastness protects from UV ray deterioration and bleeding of the dyes.

FLYABILITY

Hercules' unique design allows the flag to fly in a lighter breeze than other polyester flags.

LONGER LIFE

Hercules has proven itself to be one of the longest lasting flag fabrics on the market.

VALUE

With added life, exceptional appearance, and minimal cost; Hercules™ polyester is the best dollar for dollar flag in the industry.

SATISFACTION GUARANTEED

If you are not fully satisfied with Hercules™ polyester, send the flag back for a full refund.

U.S. HERCULES™ POLYESTER

- Hercules is exceptionally well suited for industrial and commercial flyers that require added flag life with little upkeep.

A truly unique flag that combines brilliant looks with rugged durability. Customers will not have to make a choice between the looks of nylon and durability of polyester. With over 10 years of proven performance, our customers have made Hercules Polyester the brand of choice in the flag industry.

LARGER U.S. HERCULES™ POLYESTER

HERCULES™ Big Flag star fields have a vibrant appearance letting the sunshine through.

Large appliqued stars dull the stars appearance, not letting the sun shine through.

8'X12' and larger are finished with webbing and D-rings.

- The Hercules full printed star field flags are similar to our unique nylon star printed field flags.
- The sun shines through the star giving a vibrant look to the star field. Stars are not dulled by blue fabric or appliqued stars.

HERCULES™ TEXAS STATE FLAG

SPECIALTY ITEMS

SPINNING FLAG POLES & BRACKETS

- Strong 1" 2-Piece Aluminum Pole
- 13 position strong Aluminum bracket
- Kits or components are the highest quality available.
- Bearings allow the flag to spin freely and not tangle – no need for additional hardware.
- All poles have Ball ornament.
- **Our kits and brackets come with all hardware necessary for installation.**

Kits are individually boxed.

US NYLON SPINNING FLAG KIT

This kit comes complete with a Sewn Stripes, Printed Stars US Nylon flag.

- Everything you need to show your colors in a matter of minutes!
- Includes: 6' aluminum spinning pole, 13 position adjustable bracket, and our high quality flag.

Available as 2 different individually boxed kits.

MEMORIAL FLAG CASES

Display the flags of our nation's heroes the way they were meant to be seen.

Beautifully crafted flag cases for 3'x 5' or 5'x 9 1/2' flags.

Cases with stand have a front opening magnetic enclosure.

**Oak or Cherry finish.
Beveled glass front.**

MILITARY FLAGS

- Constructed with DuPont SolarMax nylon.
- All Military flags are acid dyed, and finished with four rows of lock stitching.

POW-MIA FLAGS

- Constructed with DuPont SolarMax nylon.
- Single faced flags are acid dyed.
- Double constructed flags are printed w/inserted seals.

HERCULITE™ POLYESTER FLAGS

Herculite Printed Polyester Flags are supreme imported all printed polyester flags. Vibrant colors, beautifully printed, and strong heading and grommets make the construction of this flag superior to any other imported light polyester flag on the market. For the consumer looking for a quality on an economical budget, you will not go wrong with Herculite!

ART SUBMISSION GUIDELINES

To ensure the best possible results for your Custom Screen Printed Flags, here are some simple, but important artwork guidelines to follow:

- 1) CAMERA-READY ARTWORK IS A MUST!**
- 2) Camera-ready artwork is defined as:**
 - Good, clean scannable artwork such as an Advertising Slick.
 - Computer Generated Artwork.
Accepted file formats are Adobe Illustrator 9 (.EPS or .AI) or prior, Corel Draw 8 (.CDR) or prior, or Flexisign.
- 3) Digital artwork files can be sent on disc or via email to flags123@nehp.net**
- 4) Business cards, matchbook covers and faxes are NOT camera-ready artwork.**
- 5) Remember: Good Artwork In = Good Flags Out**

**FOR MORE INFORMATION, CONTACT ROB (OUR IN-HOUSE PRINTER)
